INSTRUCTIONS

Paint edges of all piece white.

Cover the outward facing sides of both upright pieces (ie, the sides that face the bunnies) in the two sheets of NEW ARRIVAL, using the floral design on the upper edge of paper.

Cover the upper sides of both base pieces in TINY TOT (reverse), then cover backs of upright pieces also.

Make sure you leave enough paper at the bottom of piece in order to cover the join when pieces are glued together.

Cover bunnies in BUNDLE. Assemble and glue bookends together.

Create clusters of paper and mini blooms at the base of bookends, in front of bunnies. Embellish with collectables.
